MEMBERSHIP DUES AND DONATIONS UPDATE FORM - 2021

There are currently over 50 HOA and informal neighborhood groups within the network of the Lafayette Homeowners Council (LHC).

To establish or maintain membership, a small annual "dues" contribution of \$35 is required from each organization. This helps offset the costs of operating the LHC. Additional donations are much appreciated. If you are an individual who would like to help the efforts of the LHC, a donation will also be gratefully accepted.

Please mail this form or submit through website.
