MEMBERSHIP DUES AND DONATIONS UPDATE FORM - 2027

There are over 50 homeowner associations and informal neighborhood groups within the network of the Lafayette Homeowners Council (LHC).

To establish or maintain membership, a small annual "dues" contribution of $40 is required from each organization or group. This helps to offset the costs of operating the all-volunteer LHC. Additional "donation" amounts are much appreciated and there is a separate space for that below.

If you are an individual who would like to help the efforts of the LHC, *a donation for that purpose will be gratefully accepted*.

Please make checks payable to: **Lafayette Homeowners Council**
