

RYAN WILSON

ELECTRONIC PRESS KIT

Ryan Wilson is a professional event and nightlife DJ based in Pittsburgh, PA. Since getting his start in 2011, he's worked to grow his experience and his name through his craft of DJ'ing, to deliver exciting, unique performances every single time he steps up to the turntables, bringing each event or venue a night of entertainment specifically tailored to the attendees.

After learning the fundamentals in Northwestern PA, Ryan Wilson came to the Pittsburgh Nightlife scene and has had notable work history since, including a residency at Carson City Saloon, invited opening sets at trendy night spots like Cruze and Cavo, and being sought out by other industry professionals for high-end, high-profile work such as The Official "Celebrate Erie" After Party, University of Pittsburgh Men's Basketball, family entertainment at Sky Zone Trampoline Park, and several weddings, Corporate Events, Proms, and School Dances.

One of Ryan's driving forces is his passion for music and entertainment. His love and appreciation steer him toward reaching more people both locally and internationally through his mixes. Not content to wait until the weekend to make people dance? He stays busy with several creative projects through the other days of the week as well: He is the featured weekly DJ on the Friday Drive At Five Mixshow on PlayFM – Gainesville FL (and streaming via Internet worldwide) He's also an Exclusive Music Editor for Crate Gang, a Professional Pool Service that supplies other DJ's with music.

In a world filled with stresses and distractions, Ryan sees music and dancing as a temporary escape from worries, and he wants to be at the forefront of helping people celebrate. He's got a unique combination of powers: a desire for providing unmatched service, a passion for creating unforgettable moments (maybe even helping you party hard enough you forget one or two), and a natural talent for selecting the right song for the right moment.

This all adds up to one thing: Ryan Wilson will rock your party! For More Details, visit www.djryanwilson.com or www.lakeerieentertainment.com
