## A ONE-OF-A-KIND PLATE LOADED EXPERIENCE

The Nautilus Leverage<sup>®</sup> line offers a one-of-a-kind plate loaded experience with features that outshine the competition. Leverage features stainless steel knurled grips, assisted seat adjustments and user pre-stretch settings. Using multiple levers and cams, Leverage creates a unique lifting profile for each movement that maximizes the mechanics of the human body. With a sleek look and integrated storage, the Leverage strength line will appeal to facility operators and their members. It's all about the feel and once you've exercised on Leverage, pushing and pulling weight plates will never be the same again.

### PRODUCT CUSTOMIZATION

We know what it takes to build an authentic, meaningful brand experience. Our customization program is the perfect way to leverage your personal brand and make a strong first impression. Get Leverage machines in a variety of custom frame color and upholstery options.
