## STAR TRAC® S SERIES

Designed specifically for those looking for solid, commercial-quality operation at an exceptional value, our S Series doesn't cut corners. Featuring all of Star Trac's popular user-focused features like adjustable personal fans, easy-up and wrap-around seat adjusts and dual-platform pedals, the S Series gives you many of the features you'd never expect to find for the price. And then it goes beyond with components like our large LED display with oversized buttons and text, providing the easiest and most intuitive operation available.

### MANAGEMENT SOLUTIONS

ECOFIT® asset management solutions let you see beyond the basics of which machines are most used – you'll get insights that show you if you should rotate machine placements to improve maintenance scheduling, identify and plan preventative maintenance to ensure equipment is available to members and much more.

### PERSONAL VIEWING SCREEN (PVS)

All of our S-Series cardio products are pre-wired to accept an add-on 15.6" HD Personal Viewing Screen. The PVS mounts seamlessly to the product, and an integrated control keypad inserts into the front of the cardio display for easy control.
