

The Freedom Fund

TO ENSURE PROPER PROCEDURE IN CRIMINAL INVESTIGATIONS
OF EQUINE NEGLECT OR ABUSE IN OUR COMMUNITY

In honor of Freedom: the 4th of the Okeechobee 3

The Freedom Fund will provide emergency capital for necropsies and any other necessary investigative action that is not provided by the state. A necropsy should be performed by a board certified pathologist in the event of a death in order to determine the cause of death so that the guilty party may be prosecuted. Each necropsy will cost between \$1500 and \$2500. The fund will be set up through ERAF's veterinary care providers, Harbour Ridge Equine.
