CARA was established in 1946 and is the Danbury, CT area's oldest general-interest amateur (ham) radio club.

CARA is among the longest established clubs in the Connecticut. Our general interest club focuses on advancing technical knowledge, operating skills, fraternalism, and public service.

CARA sponsors several FM VHF/UHF repeaters in the Greater Danbury area.

CARA holds regular meetings on the second Thursday of each month at the Stony Hill Fire House on 59 Stony Hill Road in Bethel, CT and conducts many other activities at different times of the year including Volunteer Examination Sessions (VEC) licensing sessions.

Please come visit us at a meeting. You don't have to be a **CARA** member to attend CARA meetings - everyone is welcome. Doors open at 7:00 pm and the meeting begins promptly at 7:30 pm.

CARA is a 501(C)(3) non-profit. Tax deductible contributions are welcomed.

If you're interested in becoming a member of **CARA**, please visit our club's website at: **www.cararadioclub.org** for a membership application form.

CARA
