

March 9, 2022

A non-scheduled meeting of the Holiday Lake Rural Improvement Zone Trustees was held on March 9, 2022.

The meeting was called to order at 4:30 PM by RIZ President, Brad Storm

Trustees present: Tom Dvorsky, Rick Happe, Jim Patten & Brad Storm

Trustee absent: Todd Eiler

At the request of Karen Segriff, we were asked to look at an erosion problem at 1177 East Lakeshore Drive. It was a consensus of the trustees to obtain a quote to reshape and seed the ditch on Lots 1175 & 1176. We are requesting that Holiday Lake Association place a layer of asphalt on the road next to Lot 1176 to prevent the chip and seal erosion into the ditch and direct water flow.

At the request of Brad Storm, we revisited the request by Ken Bunger to install a drain collector on Lot 5011 North Lakeshore and tie into the drain tube running into the lake between Lots 5011 & 5012. It was the consensus of the trustees to obtain an estimate to install a concrete drain.

The meeting was adjourned by 5:30 PM
