

Spring, 2022

Dear Parents:

Welcome to Calumet Christian School! Thank you for your interest in our program. Calumet Christian School was started to provide parents with an opportunity to educate their child(ren) in academics, character, and biblical values within a loving and safe environment. We are excited about the opportunity to work with you in the education of your children!

We offer a full school program from Kindergarten through 12th grade. We want to provide not only a quality education but also a greater measure of spiritual understanding. Our prayer is that all students at Calumet Christian School will fall in love with Jesus Christ as they submit their lives to His authority. When our hearts are close to the Lord, we desire to please Him in all aspects of life, including academics.

The Admission Process

1. Parents complete the application forms and turn them in to CCS along with prior school records and registration fee (unless applying for the voucher – see below).
2. A family interview is scheduled with the Administrator and teacher(s).
3. If both school and family agree to proceed, students are tested for academic proficiency (up through students entering 9th grade.)
4. All approved new families through April 23, 2022 will be placed in a state required lottery. Students will be admitted into classes which have enough room by random family selection on Friday, April 29, 2022.
5. After April 29, families completing the admission process and approved may be accepted on a first come, first served basis as long as there is available room in the classes.

Please read this year's Parent-Student Handbook to help you in your decision-making process. A new one will be printed over the summer. If you are applying for the **Indiana's Choice Scholarship Program (vouchers)**, please review the information on the enclosed financial sheet (more information at <http://www.doe.in.gov/choice>). Students must be accepted as CCS students before voucher applications can be submitted to the state.

We trust that God will give you wisdom as you make this important decision for your child. May you enjoy His richest blessing as you continue to seek Him. Thank you again for your interest in Calumet Christian School. Please feel free to contact us with any additional questions.

In Christ,

Pastor Dan Obinger
Executive Director
