

Characteristics Verwol wall partitions

- The highest sound insulation in the market, supported by sound sheets
- Produced on the basis of C2C Silver principles
- Disassembly and reassembly possible in case of layout changes
- Head tracks and base tracks of just 1.18 inches which makes it possible to connect glazed wall partitions and closed walls perfectly.

Production facility

Verwol wall partitions and doors are produced in our own factory in The Netherlands and stored in a conditioned environment. This makes just-in-time management possible and with this we create customization possibilities.
