

## Verwol wall partitions

Verwol has been developing, manufacturing, supplying and installing high-quality wall partitions and doors for more than 45 years.

We have our own engineers, a production facility of 12,000 square meters and assembly teams. With this we guarantee quality, flexibility and enable customization.

### We make it

- We produce wall partitions, doors and other fit-out products in-house; *we make it!*
- Technical challenges, custom challenges, never realized before? *we make it!*
