FUNDRAISING & VOLUNTEERS

It costs a lot of money to run the entire program each year. The money goes to transportation of all three teams to competitions and hotel rooms and food while at the competitions, upkeep and reordering of worn-out equipment, newly ordered equipment, mat tape, coaches gear, etc. Just the hotel rooms and food run around \$20,000 a year. Because we need a lot of money to fund our sport we typically run several fundraising events.

1. Battle of the Best & The Warrior – We are hosting one of the toughest tournaments in the state of Colorado (top 2A to 5A teams in the state and teams from other states). The club runs the concession stand. We need parents to either volunteer or bring in stuff to sell at the concession stand and to work the concession stand. The BOB is on Friday and Saturday. The Warrior is next Sunday and is for club kids to compete in. We will need volunteers to run this tournament as well.
2. Booz Raffle - Will explain at parent night
3. Super Bowl Squares
4. 50/50 Raffle at Battle of the Best and The Warrior
