

2019 Scarlet Pinot Noir

The Vineyards

Graceful and balanced, our Scarlet Pinot Noir was sourced from our largest vineyard, aptly named 'Alfaro Family Vineyard'. The Pinot Noir plantings consist of 9 different blocks with different combinations of clones and rootstock, including clones 113, 114, 115, 667, 777, 828, Pommard, Mt. Eden and Swan. Vine density is 1361 vines per acre. The vineyard is on a south facing hillside at between 500 and 650 feet in elevation with deep sandy loam soil.

The Wine

This vintage produced five barrels of wine, for a total of 125 cases. The grapes were hand-harvested between September 17 and September 26, 2019. Deep red in color, beautifully fruit forward with essence of blackberries, black cherries, currants, vanilla and a touch of oak. Easy drinking, with mouth-coating fullness.
