

2023 Alfaro Family Vineyards Estate Rosé of Pinot Noir

This wine is a delicate salmon pink in color, dry in style, with the essence of fresh raspberries, watermelon, and strawberries on the palate. This rose is a light bodied wine that is wonderful by itself as an aperitif and pairs well with poultry, fish and most meats. Best served chilled.

The grapes were sourced from the Alfaro Family Vineyard and are clone Dijon 115. They were whole cluster pressed directly into stainless steel tanks, and the juice was cold fermented for three weeks. Finally, the wine was aged for six months in 50% neutral oak and 50% stainless steel barrels.

13% alcohol
