

Teen & Adult Program Tuition

Adult and Teen program is a 2 hour lesson, once per week, 4 classes per month. The rate is \$29/hr., \$58/class

Paid by the month, \$232.00. Your 5th week class is free, when you pay the monthly rate.

Payments can be made by check, cash, Venmo or Zelle and are due by your *first* class of the month.

Seniors pay \$220/month

There are no registration or membership fees and no cancelation fees. There are no tuition returns so your payment is your commitment to attend for the month.

We offer a 10% discount off tuition total for family enrolled in the program. We also give a 10% discount each time you recommend SoA to a friend who enrolls.

Students are required to provide their own course materials except for pencils, paper and erasers which are provided by *School of Art*. All materials may be purchased in or outside of the studio. Course supply lists are available and your teacher will provide that when necessary.

This classroom may contain materials known to the state of California to cause cancer. However, we can help students choose personal materials that are non-toxic.

Studio Etiquette

You are requested to select a class time which will work weekly. Class time can be changed at any time. In the case that a class needs to be canceled, a make-up lesson may be scheduled in place of the missed class. Make-up lessons are to be done in a class time other than your regularly scheduled class and never expire. If you've paid tuition and due to circumstances, need to miss two or more classes, you can freeze your tuition. Frozen tuition may be used as credit at a later date or transferred to a family member or friend.

Class must be cancelled in advance or upon start of class. Earlier notice given will provide other students an opportunity to do a make-up lesson in your slot. *Class must be cancelled in order to receive a make-up lesson or credit.* To cancel a lesson or schedule a make-up call or text (714) 795-1331 or e-mail us at schoolforart_oc@yahoo.com.
