Re: Submission for Re-certification of the Grimes County Courts Operating Plan regarding COVID-19

Judge Underwood:

Attached for your review and re-certification, and ultimately for submission to the Texas Office of Court Administration, is the Grimes County Courts Operating Plan regarding COVID-19 and future operations. This plan was developed in accordance with the May 4, 2020, email from the Office of Court Administration entitled Guidance for All Court Proceedings occurring on or after June 1, 2020. Further, the Plan was previously approved and has been in effect.

As noted, this plan was originally staffed through all the trial court judges in Grimes County, the County Judge, County Sheriff, Emergency Action Manager, Director of Buildings and Maintenance, and security for the central courthouse and all county courthouse annexes. Further, the plan was submitted for review by the Local Health Authority for Grimes County, Dr. Sharon K. Melville, who approved the plan. The entire packet was re-submitted to the trial judges, with no recommended changes.

I request your re-certification of the Plan. Should you have any questions or concerns, please let me know and I will respond as quickly as possible. Pending re-certification of this plan, it will be placed into operation in Grimes County, Texas.

Respectfully,

ALBERT M. McCAIG, JR.
Judge, Presiding

MEMO FOR THE RECORD

SUBJECT: Re-certification of Grimes County Courts Operating Plan

Re: Coordination with of trial judges in Grimes County, Texas for re-certification of the Grimes County Courts Operating Plan

1. On December 21, 2020, via email I contacted all trial judges in Grimes County regarding re-certification of the current Grimes County Courts Operating Plan. Included with the email was the email from the Office of Court Administration regarding the requirements for re-certification of the Plan.
2. I received email responses the concerned trial judges regarding the Plan, and in all circumstances, no recommendations were made for changing the Plan.

RE: COVID-19 Operating Plan for All Court Proceedings

Dear Judge,

After review, the COVID-19 Operating Plan for the Grimes County Judiciary, as submitted is APPROVED.

Please note a copy of the plan will be placed in the file within the Second Administrative Region of Texas and the Texas Office of Court Administration.

Operating plans will remain in effect until updated guidance is issued from OCA indicating they are no longer required or upon the expiration of the provisions in the Twelfth Emergency Order, as amended or extended, requiring adherence to OCA Guidelines.

Thank you,

A handwritten signature in cursive script, appearing to read "Olen Underwood".

Olen Underwood,
Presiding Judge

OU/ct

IN THE TRIAL COURTS OF GRIMES COUNTY, TEXAS

12th Judicial District Court, 506th Judicial District Court,

Grimes County Court at Law; and

The Justice Courts of Grimes County, Texas

COVID-19 Operating Plan for the Grimes County Judiciary

This Operating Plan is effective immediately and shall remain in effect until further Order of this Court, or order of higher authority.

Recognizing the need to ensure the health and safety of litigants, attorneys, visitors, court staff, judges, and other individuals entering the buildings housing any of the courts of Grimes County, the following protective measures are hereby implemented:

General

1. All judges will comply with the Emergency Orders issued by the Supreme Court of Texas and Court of Criminal Appeals, including conducting in-person proceedings according to the guidance issued by the Office of Court Administration regarding social distancing, maximum group size, and other restrictions and precautions.
2. All judges will use all reasonable efforts to conduct proceedings remotely.
3. The County Judge and Office of Emergency Management will maintain regular communication with the local health authority and the Local Administrative District Judge. This Plan will be adjusted as necessary according to the conditions within the county.
4. Judges will begin setting non-essential in-person proceedings no sooner than July 1, 2020.

Judge and Court Staff Health

1. Judges and court staff who can perform the essential functions of their job remotely will telework when possible.
2. On a daily basis Judges shall discuss with personal staff and clerks interacting with the Judge about the need for self-monitoring and reporting of any symptoms of COVID-19. Adequate precautions have been made to protect the income of employees affected by the need for remote working or quarantine. Judges and court staff will comply with the health requirements set out in this Plan.
3. Judges or court staff who feel feverish or have measured temperatures equal to or greater than 99.6°F, or with new or worsening signs or symptoms of COVID-19 such as cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, loss of taste or smell, diarrhea, or having known close contact with a person who is confirmed to have COVID-19 will not be permitted to enter the county buildings and should seek medical advice.

4. During any in-person hearings or dockets, Judges and court staff will be required to wear face coverings, practice social distancing, and practice appropriate hygiene recommendations at all times. Alternatively, if clear shielding is available, such shielding will be placed in such a manner to protect the Judge, the court reporter, the court staff, any witnesses, attorneys, and others attending any in-person court proceeding. While in chambers and staff work areas common to the Courts' chambers, it is recommended that all personnel wear masks or face coverings while in common areas or shared work space. While personnel are alone or in separate offices or cubicles, masks or face coverings are optional. Masks and face coverings must be made available to those who need them.
5. Each Court shall provide masks, hand-sanitizer, and ensure social distancing among all personnel.

Court Scheduling

1. Courts holding trials, hearings, and other judicial functions which are located in a building separate from other courtrooms shall establish individual court schedules in keeping with this Plan and the instructions emanating from the Office of Court Administration, the Supreme Court of Texas and the Texas Court of Criminal Appeals.
2. Magistration schedules for conducting inmate magistration at the Grimes County Jail shall not be affected by this Plan. Magistrates shall otherwise maintain social distancing and hygienic procedures during magistration duties. To the extent possible, remote magistration shall be conducted.
3. Courtroom schedules currently employed by the District Courts, County Court at Law and Commissioners Court shall remain in place as they are adequate to ensure separation of individuals and reduce populations within the Grimes County courthouse itself.

4. Judges may increase the requirements contained in this Plan but may not decrease or diminish such requirements.

Vulnerable Populations

1. Individuals who are over age 65 and individuals with serious underlying health conditions, such as high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune systems are compromised such as by chemotherapy for cancer or other conditions requiring such therapy are considered to be *vulnerable populations*. A notice with this information and about accommodations for such individuals in both English and Spanish will be included with each docket, setting notices and other posting of schedules. A copy of such notice is attached.
2. Each judge will include information on orders setting hearings, dockets, notices, and other communications notifying individuals who are in vulnerable populations of the ability to contact the court to identify themselves as a vulnerable individual and receive accommodations. A notice with this information in both English and Spanish will be posted on each courts' website and in conspicuous locations around the court building. A copy of

such notice is attached.

3. Except for specific legal requirements, vulnerable populations who are scheduled for court will be accommodated by being given an opportunity to appear by teleconference, to submit necessary information in written form, or by rescheduling of the in-person hearing until a time after the crisis has diminished.
4. Attorneys and self-represented parties shall provide the notice to vulnerable populations to any participants they plan to have attend court proceedings.

Social Distancing

1. All persons not from the same household who are permitted in the court building will be required to maintain adequate social distancing of at least 6 feet.
 2. No more than two individuals not from the same household will be permitted in an elevator. If more than one individual from the same household is in an elevator, no other individuals will be permitted in the elevator.
 3. Each restroom has been evaluated to determine the appropriate capacity to ensure social distancing and the maximum capacity has been posted on each restroom door.
 4. Public common areas, including break rooms and snack rooms, have been closed to the public.
 5. The maximum number of persons permitted in the gallery of each courtroom has been determined and posted. The maximum capacity of the courtroom will be monitored and enforced by court staff and security.
-
6. The gallery of the courtroom has been marked to identify appropriate social distancing in the seating area. Seating is limited to spacing adequate to provide for social distancing.
 7. In each courtroom, the counsel tables, witness stand, judge's bench, the clerks' area, the court reporter, and bailiff seating have been arranged in such a way so that there is social distancing of at least 6 feet between each space. Capacity shall be determined as shown at <https://www.density.io/blog/how-to-plan-conference-room-usage-in-the-age-of-social-distancing/>, which is incorporated herein.

Hygiene

1. Hand sanitizer dispensers have been placed at the entrances to the building, outside of elevators on each floor, outside of each courtroom, and outside of restrooms.
2. Tissues have been placed near the door of the courtroom, at counsel tables, at the witness stand, on the judges' benches, and in the hallways.
3. The Department of State Health Service's "Stop the Spread of Germs Flyer" has been posted

in multiple locations on each floor of the court building.

4. Red waste disposal containers will be located at each court building main entrance, and on each floor of the central courthouse. Red waste disposal containers will be marked as only for use to dispose of used masks, gloves, tissue, or other potentially contaminated personal hygiene items. The waste generated from these containers will be disposed of as medical waste.

Screening

1. When individuals attempt to enter the court building, the individuals on duty as courthouse security will ask the entering individuals if they are feeling feverish; have a cough, shortness of breath, or difficulty breathing; or have been in close contact with a person who is confirmed to have COVID-19. Signs in both English and Spanish containing the questions may be posted at the public entrances to the court buildings and may be used in lieu of oral questioning. Written questionnaires containing such questions may be used in lieu of oral questioning. Individuals who indicate yes to any of these questions will be refused admittance to the court building.
2. When individuals attempt to enter the court building, the individuals on duty as courthouse security will use an infrared thermometer to determine the temperature of the individual. Individuals whose temperature equals or exceeds 99.6°F will be refused admittance to the court building.
3. Inmates being transported from the jail to the court buildings will be screened for symptoms of COVID-19 and have their temperature taken prior to transport. Inmates with symptoms or a temperature equal to or above 99.6°F will not be transported to the court building.
4. Staff who are screening individuals entering the court building will be provided personal protective equipment, including masks, gloves, and as requested, visors or safety glasses.

Face Coverings

1. All individuals entering the court building will be asked to wear face coverings at all times while in the building. Courthouse workers, on entering personal work areas, may remove masks or face coverings if alone in the workspace. Personnel may remove masks or face coverings if there are partitions in the office, or if work spaces allow for social distancing of at least six-feet. Personnel shall use masks or face coverings for all contacts with others not of that office.
2. Individuals entering the court building will be encouraged to bring cloth face coverings with them, but if the individual does not have an adequate face covering a disposable face mask will be provided.
3. Individuals who will be required to be in the court building for over 1 hour will be provided surgical masks and asked to wear them while in the court building if the supply is available. At the discretion of the individual judges, face coverings in the courtrooms may be made

mandatory.

Cleaning

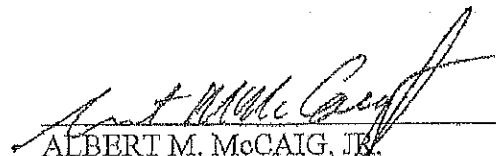

1. Court building cleaning staff will clean the common areas of the court building so that common spaces are cleaned at least once each work day.
2. Court building cleaning staff will wipe down contact areas and, as needed, clean the courtrooms between every hearing, between morning and afternoon proceedings, and at the end of each day the courtroom is used.
3. Court building cleaning staff have been provided cleaning supplies shown to be effective against the coronavirus.
4. Court building cleaning staff have been trained on proper cleaning techniques and provided appropriate personal protective equipment.

Other

1. Any of the trial courts of Grimes County may take any other reasonable action necessary to avoid exposing court proceedings to the threat of COVID-19.
2. This Order may be extended or modified by written Order of this Court without notice. Any such extension or modification shall be delivered to all trial judges of Grimes County, the County Clerk, the District Clerk, posted with the District Clerk of Grimes County, and posted on the Court's website at www.court506.com.

I certify that I have conferred with all judges of all courts with courtrooms in the court buildings of Grimes County regarding this Operating Plan. In developing the plan, I consulted with the local health authority, the Grimes County Judge, the Grimes County Sheriff, and the Grimes County Office of Emergency Management, as evidenced by the documentation attached to this plan. I will ensure that the judges of courts with courtrooms in the court buildings covered by this Operating Plan conduct proceedings consistent with the plan.

Dated:

ALBERT M. McCAIG, JR.
Grimes County Local Administrative
District Judge, Presiding
