

Pioneers of Kilcoy District Volume 5
1930- 1940

Cost - \$25 each plus postage

Volumes 4 and 5 have been researched simultaneously and the mere size has brought about the rationale of directing history of those born prior to 1915 into Volume 4 and those born after in Volume 5. Correspondingly, "Pioneers of the Kilcoy District" Volume 5 is a collection of facts and memoirs of pioneers who began their working lives in our district between the years 1930 and 1940, and it includes those who moved here during that time to help build the township and surrounding community that was continuing to grow and prosper.
