

GULF AVIATION NETWORKING EVENT 2026

FEBRUARY 2026

DUBAI, UNITED ARAB EMIRATES

**The exclusive conference
and networking event for
Senior Aviation Leaders**

Introduction

ABOUT THE EVENT

GANE (Gulf Aviation Networking Event) is a premier conference and networking platform designed for the region's leading aviation professionals. Since its inception in 2013, GANE has served as a unique forum for industry leaders to connect, collaborate, and engage in high-level discussions on the future of aviation. The event will feature a compelling series of panel discussions exploring the key trends, challenges, and innovations set to shape the next decade of air travel. Topics will include sustainability, emerging technologies, commercial aviation, and business aviation.

GANE brings together aviation executives, industry experts, regulatory authorities, and associations—fostering meaningful dialogue and impactful networking opportunities within the Gulf's dynamic aviation ecosystem.

BENEFITS OF ATTENDING ABOUT THE EVENT

- **ACCESS**
Meet and interact with industry leaders who will help your business flourish today and into the future.
- **DIRECT INTRODUCTIONS AND NETWORKING**
Utilise our networking breaks and breakout sessions to connect with and engage your target market.
- **INCREASING YOUR PROFILE AND PRESENCE**
Demonstrate your expertise and product excellence.
- **BUILD STRONGER RELATIONSHIPS**
Establish strong relationships and make proposals to potential customers.
- **POSITIONING & DEMONSTRATING**
Present your products, services, and executives to important industry leaders.
- **THOUGHT LEADERSHIP**
Position yourself as a key thought leader, industry player and solution provider within the client value chain.

Submission Process

WHO WILL ATTEND

GANE 2026 is the region's premier aviation conference and networking event, bringing together executives from all major aviation sectors. The exclusive event will attract senior aviation executives from the GCC and the wider Middle East and North African region. Attendees will include airlines, aircraft operators, manufacturers, consultants, lawyers, airport executives and financial firms engaged in the region's aviation growth.

EXPERT PANEL

GANE 2026 provides delegates the opportunity to network and connect with our distinguished panel of experts. The panel will explore future aviation opportunities and challenges. GANE 2026 will feature open debates and evaluate major regional trends.
