

A hassle-free and non-intrusive method for rooftop surveillance.

Winner of the SIA 2024 "BEST IN VIDEO SURVEILLANCE HARDWARE"!

HOW WILL THE PTZsLed HELP YOU?

- ✓ No Drilling= No Leaks
- ✓ Heavy Duty 1/4" Angle & Plate Steel
- ✓ Powder Coat Enamel Protection
- ✓ Built to Hold Any Size PTZ Camera
- ✓ Brand Specific Mounting Plates
- ✓ Use At Least 3 Concrete Blocks
- ✓ Install In Less Than 5 Minutes

WHY CHOOSE US?

The PTZsLed is the only non-penetrating roof mount that is specifically designed for PTZ cameras and their brand specific factory authorized parapet mounting arm. The PTZsLed gives you the freedom to install your cameras anywhere on the flat roof top while keeping the roofs membrane intact. We currently support 16 camera manufacturers, and we are continuously adding more. Our design is simple to use and will cut your installation time in half.

PTZsled™
