The Questionnaire

J. Lane Smith
DESIGNS, llc | Interiors

Hello!

Thank you for your interest in planning your next home design project with J. Lane Smith Designs, LLC. The pages to follow are intended to gather some insight on the room or rooms in which the project will take place as well as the client or clients who will utilize the space and their desired functionality and aesthetic.

Quite a bit of information is asked for, some of which may not apply to your project or you may not have the answer to. Please feel free to leave these questions blank.

Should you have any questions while completing the questionnaire, a sample is available for reference at jlanesmith.com/interiors-consult-sample. Or we can be contacted by email at jls@jlanesmith.com.

Once your questionnaire is submitted, please return to jlanesmith.com/consulting-questionnaire for a guide as to the next steps in the consultation process.

Sincerely,

Julianne Smith

Interiors Consulting | The Project

1. What type of design project are you working on? Is it a room refresh, a layout plan, or a full redesign?

I am seeking guidance with selecting a new area rug. I need to determine the size, color, and material best suited for the style and function of the space.

2. What is the scope of the project? Which room(s) do you want to redesign?

The scope is limited to the area rug in my dining room.

3. What are your goals for this space? What do you want to accomplish with the redesign?

I want to anchor the dining room table and delineate it from other elements also present in the room.

4. How do you want to feel when you are in the room? What is your ideal atmosphere for the space?

I want the space to feel elevated yet comfortable.

5. How would you describe your design style preferences?

I prefer a blend of mid century modern and contemporary styles.

Interiors Consulting | The Site

1. What do you like about the current space?

I like that it is central to most areas of the house.

2. What do you dislike about the current space?

It does not receive a lot of natural light.

3. Describe any sight lines (such as other areas, rooms, or zones) that are visible from the room.

There are sight lines into the master bedroom, kitchen, living room, and hallway.

4. What artificial light sources (such as a lamp or overhead lighting) does the room have?

There is a light overhead as well as a table lamp. The space also receives (overhead) artificial light from the kitchen.

5. What natural light sources (such as skylights or windows) does the room have?

One east facing window

6. What time of day do you most often use this space?

This space is used most often in the evening for meals and study.

7. What features will be staying in the room and what will be replaced?

All things currently in the room will stay.

8. List any notable architectural features (such as built-ins, closets, columns, doors, fireplaces, wall breaks, windows, etc.).

There is a an exterior door and window on the east window and a soffit overhead.
