DESIGNS, llc | Interiors

Hello!

Thank you for your interest in planning your next home design project with J. Lane Smith Designs, LLC. The consultation questionnaire is intended to gather some insight on the room or rooms in which the design will take place as well as the client or clients who will utilize the space and their desired functionality and aesthetic.

Quite a bit of information is asked for, some of which may not apply to your project or you may not have the answer to. Please feel free to leave these questions blank.

Should you have any questions while completing the questionnaire, a sample is available for reference at [jlanesmith.com/interiors-consult-sample](http://jlanesmith.com/interiors-consult-sample). Or we may be contacted by email at [jls@jlanesmith.com](mailto:jls@jlanesmith.com).

Once your consultation questionnaire is completed, please return to [jlanesmith.com/interiors-consultation](http://jlanesmith.com/interiors-consultation) for a guide as to the next steps in the consultation process.

Sincerely,

1. What are your design style preferences for this space?

*Art deco, or kind of mid century modern meets glam*

2. Do you prefer a design and/or color palette that is more neutral, bold, or somewhere in between?

*Bold but not overwhelming*

3. Is your aesthetic more minimalist, maximalist, or somewhere in between?

*Somewhere is between. We tend toward decorative accents rather than clutter*

4. Are there any problems with this space that the redesign should aim to resolve?

*Not enough clothes storage. Would like to visually and functionally maximize the space. Would like more control over light, both natural and artificial. We have a blind cat who might benefit from some*

5. Create a Pinterest board (about 5-15 pins) to include ideas and images illustrative of what you hope to accomplish in this space with consideration to style, color, function, material, and atmosphere.
