“This coaching was a tremendous way to empower speakers to relax, connect, and deliver the message they intend effectively. Looking forward to applying these skills in conversations big and small.”

- Jeff Feinberg, Snohomish County PUD

“Improv for Work and Wellness does an amazing job of creating a productive and safe environment for anyone, from the novice to the most advanced speaker, to practice the skill and develop new ways of approaching presentations and public speaking. I would highly recommend.”

-Chris Forbeck, Director, Compensation and Benefits at North
