

IMPROV FOR TEAM-BUILDING

IMPROV-BASED COMMUNICATIONS PROGRAM
VIRTUAL OR IN-PERSON

IMPROV FOR TEAM-BUILDING is structured around themes of trust and collaboration to apply the theory of improvisation to your workplace. Inspire your team and create opportunity for growth and success. The workshop will introduce your team to improvisation where they will build new skills, work together, and laugh.

PROGRAM THEMES

- Trust
- Listening
- Collaboration
- Laughter
- Telling Stories

This program can be taught over 1 - 4 hours and can easily integrate into an existing conference, summit, or meeting.

CONNECTIVE

“The facilitators tailored the content based on our desires and guided us through interactive exercises, emphasizing the importance of collaboration, active listening, and communication. Beyond the professional insights gained, the session's humor and creativity made learning enjoyable and memorable for all guests. The team's dynamic approach, personalized touch, and enthusiasm make them highly recommended for any group wanting to get together for a fun activity.”
