

# POSITIVE & INCLUSIVE COMMUNICATION

## IMPROV-BASED COMMUNICATIONS PROGRAM VIRTUAL OR IN-PERSON

Enhance your workplace culture through effective communication. Discover the profound impact that communication has on your workplace culture and learn how to transform it into a more positive and inclusive environment. Explore key improv principles such as presence and saying "YES," welcoming mistakes, listening, inclusion, and collaboration. Take a proactive step towards a brighter and more inclusive future for your organization!

### PROGRAM THEMES

- Collaboration
- Listening
- Inclusion
- Celebrating Mistakes
- Presence & Saying YES

*This program can be taught over 1 - 4 hours and can easily integrate into an existing conference, summit, or meeting.*

CONNECTIVE

“This was a great training! I loved the games and education. The tools I learned can be easily incorporated for immediate benefit.”

- Tara McGowan, Managing Engineer, Colorado Springs Utilities

“It's been the talk of the team for the last couple of days, and some other folks on the team have actually committed to trying out improv in their home cities. Games and lessons learned were perfectly on target.”

- Director of Content, Parallel Domain
