PASTOR'S MESSAGE

AGAIN, ABOUT RESURRECTION !

"Now if we died with Christ, we believe that we will also live with him. For we know that since Christ was raised from the dead, he cannot die again; death no longer has mastery over him"; Romans: 6:8-9

We are approaching the great feast of the Resurrection of our Lord. Although we talk a lot about this topic, we must do it again and again.

If Jesus' story had ended with His crucifixion and burial, Christianity wouldn't exist. There is a similarity between Jesus' story and ours. But let us assume for a moment that Jesus really died and there is no Resurrection. I am saying this for people who don't believe in the Resurrection. Even in this case, Jesus is victorious, because His cause didn't die and Christianity became the largest religion. It is a fact. There is no other phenomenon that has impacted humanity as much as Christianity. This is also another fact difficult to deny. Coming to our nation, let us think of the Vartanants story and the martyrs who died that day. We lost the battle against Persia, the superpower at that time. Here, just as with Christianity, the cause did not die, because the purpose of that war was to re-convert Armenians from Christianity back to Zoroastrianism, and this plan failed. Just thirty years after the Vartanants battle (451 AD) in the Nvarsag Treaty of 484 AD, Persia guaranteed religious freedom in Armenia and granted general amnesty with permission to construct new churches. This time, the leader on our side was Vahan Mamigonian, St. Vartan's nephew. Amazing, the Roman Empire, a superpower, fought against Christianity and didn't succeed, and another superpower, the Persian Empire, fought against us and didn't succeed as well. This shows that as early as the fifth century and just one and a half centuries after Armenia became officially the first Christian nation, our ancestors understood very well what Christianity is all about. In their initial response to the Persian Emperor Shah Yazdegerd's (Hazgerd in Armenian) demand to renounce Christianity, Armenians explained that Christianity for Armenians is not like a dress that could be thrown

away, but like our skin, from which we cannot be separated.

Going back to Christianity, most scholars and historians agree that one of the main reasons that caused Christianity to spread is the martyrdom of the first Christians. They did not want to worship the Roman Emperor, who was considered a god that everyone in the Empire was obligated to worship. People saw that Christians were voluntarily ready to die, in huge numbers, rather than renounce Jesus. This happened constantly and for an extended time, which caused many to ask questions. People understood that there must be a reason for such dedication. That reason was not only a belief in the Resurrection, but also true knowledge of it. After His Resurrection, Jesus was seen by more than 500 of his followers. These people spread the word and kept the story going. It was real, people knew about it, and that is why these early Christians were not afraid of persecution and death. Little by little, the Christian faith spread and started reaching higher levels of society and nobility. Women also played a big role in this. Emperor Constantine's mother, Helena, who was a Christian, had an impact on the emperor's conversion, as well as King Dertad's sister Khosrovitookht in our case, who was a hidden Christian. The tradition says that Soorp Krikor Loosavorich (St. Gregory the Illuminator) was fed by angels during the time of his imprisonment in Khor Virab pit for fourteen years. Some scholars say that it was Khosrovitoukht who secretly sent people to feed Soorp Krikor.

Faith in Resurrection is also why our nation has chosen to sacrifice itself for Christ in crucial moments. When someone is faithful, it is much easier for such people to face death. We call this Hope in capital letters. We know about the three major Christian values as they were put together by St. Paul the Apostle: Faith, Hope, and Love. They interact with each other and enrich each other. Talking about hope, I am referring to the Hope of Resurrection, in other words, the hope for eternal

life in the presence of God, which is another way to describe what paradise is.

CHRIST IS RISEN FROM THE DEAD.
BLESSED IS THE RESURRECTION OF CHRIST!

Resurrection can have a wide understanding. It is not only relevant to the reality after this life, but it is something that we can exercise here on Earth: when we create a heaven-like environment, when we live in Faith, Hope, and Love.

Happy Easter!

ORGANIZATIONAL NEWS

BOARD OF TRUSTEES NEWS

As Christian Armenians, we strive to incorporate in our everyday lives compassionate actions that we believe would please the Lord. The Board of Trustee members not only aim to do that in our personal lives, but we are also dedicated to try to satisfy the Lord by enhancing our Church’s mission and goals.

As we approach another year - after experiencing the joyful season of Thanksgiving and Christmas - the Board acknowledges that our Church faces some challenges that we must focus on. These include increasing church attendance, increasing cultural connection among our younger generation, and the need to increase our finances without burdening our parishioners repeatedly. However, these challenges are not unique to our church; they reflect broader trends within Armenian churches both here and overseas.

That said, this year, the Saint Gregory Board will concentrate our efforts on the opportunities available to us, which are equally important.

This year we will be launching innovative outreach programs to connect with families living near our church grounds who do not currently attend services or participate in our events. We will personally invite them to join us in various formats (phone calls, direct mail, volunteer opportunities) and help unite our community. We will also be launching a special Stewardship campaign (details will be announced soon).

Moreover, thru digital platforms, we will try to involve our graduated Sunday school children (now young adults) who are often more inclined to connect through social media and online content!

Additionally, we want to encourage all our members to express their concerns and aspirations to us. The Board not only values our members’ personal experiences, but we also want to promote a culture that appreciates everyone’s input and collaboration.

We encourage all parishioners to actively engage in driving our church initiatives. True community spirit is built through shared dedication and effort. We urge everyone to step forward, whether by participating in church events, singing in the choir, volunteering time and skills, or simply initiating conversations about the church's importance in their lives.

Given this Easter season, this message is one of hope, faith and resolve amidst our challenges. It serves as a reminder that while obstacles may be present, they are matched by opportunities for growth and renewal. This is a message echoed by the Catholicos during his recent visit.

The responsibility lies with all of us to embrace these opportunities, cultivate a community grounded in faith and resilience, and ensure that the values of our Church continue to radiate brightly in the lives of all of us.

RENEWAL. FAITH. HOPE. LOVE.

PARISHIONER SPOTLIGHT

The Board of Trustees would like to express our gratitude and recognize Naomi Barnagian Noyes, who leads us every Sunday with a delicious buffet of food during our fellowship gatherings after Badarak.

Week after week she continues to spoil us with delicious dishes. When she steps away from the Choir towards the end of the service you just know she is making her way to the kitchen to warm up the oven!

Naomi also sings in the church choir. She is performing solos with her lovely voice and is an asset to the choir.

We know this is a lot of effort not to mention all she does to help with events and food festivals too! She really does embody the community spirit our Church values.

Thank you Naomi for all you do!!
