Payment is due at the time of collection, unless a monthly payment plan is requested/approved. Initial collection, freezing and storage fees will include the first year of semen storage.

Late payment is subject to a \$10.00 late fee per month. After 90 days of non-payment, the account will be placed in inactive status. A charge for reactivation will be made. Accounts must be current in order for frozen semen to be released. It is my responsibility to ensure my account remains current with ICSB. Any change of address or phone number needs to be provided to ICSB immediately.

ICSB fees for semen collection, freezing, and storage are charged at the time of collection and on an annual basis for storage. There are additional fees charged by ICSB when the stored semen is shipped for breeding or transfer. These fees are usually termed shipping preparation, shipping tank rental, and actual shipping charges to ship the semen to its destination and for the return of our empty tank.

ICSB Nor Cal shall not be held liable for, and cannot guarantee conception from, frozen canine semen. Nor can ICSB Nor Cal guarantee that the frozen sperm cells will be viable at the time of thawing for insemination.

In the event of loss or damage of frozen semen due to natural causes due to weather, fire, storage/shipping tank failure, incorrect semen being inseminated or shipping tank accident/damage, ICSB would not be held liable for the loss or the replacement value of the frozen semen or costs involved in freezing and storing the semen.
