WHEREAS, in order to avoid designation as a probationary basin and become subject to direct intervention and management by the State Water Board, California Water Code Section 10735.2 requires that, by June 30, 2017 a collection of local agencies must form a GSA or prepare agreements to develop one or more GSPs that will collectively serve as a GSP for the entire Basin, in the event that a local agency has not decided to become a GSA that intends to develop a GSP for the entire Basin; and,

WHEREAS, the LOCAL AGENCIES have water supply, water management, and/or land use responsibilities for their respective jurisdictional areas overlying the Basin and are local agencies as defined by SGMA in California Water Code Section 10721(n), and thus each is authorized by SGMA to become or form a GSA; and,

WHEREAS, the LOCAL AGENCIES’ individually have jurisdictional and/or service areas within and their collective jurisdictional areas and/or service areas cover the entirety of the Basin, with no gaps in coverage; and,

WHEREAS, the REGIONALS are State Water Contractors, and have the rights and duties of such, including for the delivery of State Water Project Water within the Basin; and,

WHEREAS, in accordance with the terms of this MOA, and in furtherance of the shared intent of the Parties to maximize funding opportunities for the Basin and avoid potential intervention in the Basin by the State Water Board, the Parties agree that the YUCAIPA-GSA formed by this MOA will cover the entire Basin; and,

WHEREAS, the Parties mutually desire and intend to work with local stakeholders and interested parties in the Basin that are not Parties to this MOA, to carry out the policy, purposes, and requirements of SGMA in the Basin.

re: Support for Yucaipa Sub-Basin GSA

Mr. Headrick:

The County of Riverside appreciates the commitment of the cities of Calimesa, Redlands and Yucaipa; San Bernardino Valley Municipal Water District; San Gorgonio Pass Water Agency; Yucaipa Valley Water District; South Mesa Water Company; South Mountain Water Company; and Western Heights Water Company to maintain local control of the Yucaipa Sub-Basin and to work together through a Memorandum of Agreement to sustainably manage the basin's groundwater resources in a way that considers the interests of all beneficial uses and users.

As the County is also eligible to serve as the Groundwater Sustainability Agency for the Yucaipa Sub-Basin, the County wishes to assure you that it does not intend to adopt a competing Groundwater Sustainability Agency formation resolution and notification of the California Department of Water Resources.

Re: Support for Yucaipa Sub-Basin Groundwater Sustainability Agency

Mr. Headrick:

On May 23, 2017, the County of San Bernardino Board of Supervisors voted to communicate the County’s support of the cooperative efforts of the Yucaipa Sub-Basin Groundwater Sustainability Agency to manage groundwater in the Yucaipa Sub-Basin (No. 8-2.07) in compliance with the California Sustainable Groundwater Management Act.

The County appreciates the commitment of the cities of Calimesa, Redlands and Yucaipa; San Bernardino Valley Municipal Water District; San Gorgonio Pass Water Agency; Yucaipa Valley Water District; South Mesa Water Company; South Mountain Water Company; and Western Heights Water Company to maintain local control of the Yucaipa Sub-Basin and to work together through a Memorandum of Agreement to sustainably manage the basin’s groundwater resources in a way that considers the interests of all beneficial uses and users.

As the County is also eligible to serve as the Groundwater Sustainability Agency for the Yucaipa Sub-Basin, the County wishes to assure you that the County does not intend to adopt a competing Groundwater Sustainability Agency formation resolution and notification of the California Department of Water Resources. To that end, on March 7, 2017, the Board of Supervisors adopted a resolution that the County would not be the Groundwater Sustainability Agency for 11 groundwater basins and sub-basins in the county, including Yucaipa Sub-Basin. A copy of this resolution is attached.

If you should have any questions, please contact Bob Page, Principal Management Analyst, at (909) 387-4384 or by email at bpage@cao.sbcounty.gov. Thank you.

GROUNDWATER SUSTAINABILITY AGENCIES

RECOMMENDATION(S)
1. Approve and authorize submission of letters of support for the cooperative efforts of cities,
   water districts and water companies to manage groundwater in compliance with the California
   Sustainable Groundwater Management Act in the following groundwater basins:
   a. Bear Valley Basin (No. 8-9)
   b. Yucaipa Sub-Basin (No. 8-2.07)
2. Authorize the Chairman of the Board of Supervisors or the Chief Executive Officer to execute
   similar letters of support, subject to review by County Counsel, for local agency efforts to

   notified the California Department of Water Resources that the County will not serve as the
   Groundwater Sustainability Agency.

COUNTY AND CHIEF EXECUTIVE OFFICER GOALS AND OBJECTIVES
Ensure Development of a Well-Planned, Balanced, and Sustainable County.
Pursue County Goals and Objectives by Working with Other Agencies.

FINANCIAL IMPACT
Providing letters of support to local agencies forming Groundwater Sustainability Agencies
(GSAs) will not result in the use of additional Discretionary General Funding (Net County Cost).

BACKGROUND INFORMATION
Effective January 1, 2015, the California Sustainable Groundwater Management Act (SGMA)
requires local water and land use agencies to sustainably manage 127 groundwater basins and
sub-basins (basins) that have been designated by the California Department of Water Resources
(DWR) as medium or high priority. SGMA mandates that one eligible local agency or multiple
eligible local agencies form a GSA for each of these basins by June 30, 2017 with the
responsibility of developing and implementing a Groundwater Sustainability Plan (GSP).
DWR has designated Bear Valley Basin as medium priority. DWR has also defined the boundaries of the Bear Valley Basin in its Bulletin 118 and assigned it No. 8-9. The City of Big Bear Lake, the Big Bear City Community Services District and the Big Bear Municipal Water District have formed the Bear Valley Basin Groundwater Sustainability Agency (Bear Valley Basin GSA), a joint powers authority that became effective on April 26, 2017, with the purpose to become the exclusive GSA for the Bear Valley Basin.

DWR has designated Yucaipa Sub-Basin as medium priority. DWR has also defined the boundaries of the Yucaipa Sub-Basin in its Bulletin 118 and assigned it No. 8-2.07. Negotiations of a Memorandum of Agreement (MOA) regarding the formation of a GSA for the Yucaipa Sub-Basin completed in April. The MOA was circulated for approval by June from the governing bodies of the following parties to the MOA: the cities of Calimesa, Redlands and Yucaipa; San Bernardino Valley Municipal Water District; San Gorgonio Pass Water Agency; Yucaipa Valley Water District; South Mesa Water Company; South Mountain Water Company; and Western Heights Water Company.

Before either GSA can be the exclusive GSA for their respective basin, SGMA requires that they hold a noticed public hearing to adopt a resolution to become the exclusive GSA. The Bear Valley Basin GSA hearing is scheduled for May 25, 2017. The parties to Yucaipa Sub-Basin GSA MOA will hold separate public hearings on various dates before June 30, 2017. The GSAs will then have 30 days to notify DWR of their decisions, providing among other things a map of the service areas of the parties within each basin (attached) and a list of all beneficial uses and users of the groundwater and how their interests will be considered in the operation of the GSAs and the development and implementation of their GSPs.

DWR will post the notices on its SGMA Portal on its website (sgma.water.ca.gov/portal/#intro). Other eligible local agencies in each basin, including the County, will then have 90 days to file a competing GSA notice. If no competing notices are filed with DWR, the Bear Valley Basin GSA and Yucaipa Sub-Basin GSA will become the exclusive GSAs for their basins. On March 7, 2017 (Item No. 20), the Board of Supervisors (Board) adopted a resolution that the County would not be the GSA for 11 groundwater basins and sub-basins in the county, including Bear Valley Basin and Yucaipa Sub-Basin. The Board adopted a similar resolution covering five other basins on January 10, 2017 (Item No. 21).

The parties to these GSAs requested that the County support their efforts. If approved by the Board, the recommended letters will be provided to the Bear Valley Basin GSA and Yucaipa Sub-Basin GSA.

If local agencies in any of the other 14 basins covered by the Board’s January 10 and March 7 resolutions request support of their GSA, approval of Recommendation No. 2 will authorize the Chairman of the Board or the Chief Executive Officer to execute similar letters of support, subject to review by County Counsel.
