*Dear Cawley and Tara:*

*XXXXXX and I wish to thank you for having made ownership of XXXXXX, for the last three years, a true pleasure.*

*You kept the boat in impecable condition, perfectly managed the solution of the problems and were great company in our short cruises.*

*When I saw the photos you sent me of XXXXXX being loaded in the carrier that is taking her to California I had a feeling that I can only express with the Portuguese word “saudade”, for her and for both of you, as now I will not see XXXXXX every time I go in or out of our house and will not have the frequent communication with you that we have had and I enjoyed.*

*The next time I am in Clearwater, XXXXXX and I want to have dinner with you both. In the mean- time we want to wish you lots of success and happy cruising.*

*Best wishes*
