

Attendance policy

Here at Time 2 Shine, we understand that events take priority and sometimes you are unable to attend. However, due to putting on a performance it can affect rehearsals drastically if you are not able to attend.

If you are unable to attend last minute, please email us as soon as you are able to so that we can factor in your child's absence and ensure the other members do not miss crucial rehearsal time.

If you miss two or more sessions without informing us then we may have to replace your child's part with an understudy role.

Script policy

Similar to the attendance policy, if your child is not prepared and doesn't have a script with them, it is harder for them to follow rehearsals as they may have to share with someone else.

Scripts will be emailed out so that you have an electronic copy. Due to cost we are only able to print one copy, however, feel free to share the script with family members.

We will always have spare copies but please try to ensure that your child has a copy with them.

For Spotlight members they can access this via their mobile phone, and we are happy for them to use their phone during rehearsals if they forget their script/

If your child struggles with reading, please let us know so we can make the correct adjustments to best suit the needs of your child.

We also have overlays that your child can use so please let us know if your child would prefer to use an overlay for their script.

We ask that you practice with your child at home as this will help them to gain confidence during rehearsals and therefore achieve the best results for them. We have limited time with your child and it is beneficial to your child the quicker they can perform without their scripts as they are then able to focus on characterisation.
