

Social media and photography policy

As you are aware the shows are recorded and we understand the risks of posting on social media.

Within the registration form you can tick whether or not you would like your child shared on any of our social media platforms.

Each show is recorded and posted on our members page.

We also have platforms on

- Youtube
- Tik Tok
- Instagram
- Facebook

If you are concerned with your child being posted on social media please opt out on the registration form.

If you change your mind at any time and would like any content removed then please get in touch with us and one of the team will ensure the content is removed without asking any questions.
