For over thirty five years, InterCorp has gained experience in many industries including the following: Aerospace, Agriculture, Apparel, Automotive, Aviation, Cannabis, Construction, Energy, Entertainment, Equine, Film & TV, Food Service, Government, Health Care, Hospitality, Life Science, Manufacturing, Medical Devices, Med Tech, Military, New Media, Pharma, Professional Services, Transportation, Real Estate, Retail, Technology and Waste Removal. Our website [www.intercorpresources.com](http://www.intercorpresources.com) will give you more information about our background and services.

It is InterCorp's mission to provide an excellent service for our clients and to assist them in accomplishing their business and financial goals. This is done by offering innovative strategic planning and alternative financing concepts. Our Family Office Group are selective investors that may also collaborate with other Family Offices on opportunities of interest.

From time to time we may discover that there are issues beyond our scope of work and expertise. If that event occurs, we will then refer or include the appropriate professionals from our database to achieve a proper solution for our client.

We pride ourselves with the excellence of our service and we execute our work professionally regardless of the project size and related service fee. Please call us directly if you have any questions and one of our experts will be available to help you. We appreciate your interest and look forward to the opportunity of earning your business.
