

INTERCORP RESOURCES
WHAT WE DO

We would like to introduce you to InterCorp Resources. InterCorp is a Business Development Company and Private Investment Banking Company that provides a Fee Based Specialized Advisory, Strategic Planning, Capital Placement & Financing Service for Business and Real Estate serving both Domestic and Off-Shore clientele.

Over the past thirty five years our group has facilitated over \$3.5B of Debt and Private Equity Capital for our clients needs in many different business and real estate applications. I might add that in addition to big business, we do work with small business and start-ups with regards to their strategic planning and capital requirements.

We are experienced Professional Connectors and Influencers as well as being Qualified and Approved Intermediaries with most Alternative Lenders, Commercial Lenders and Real Estate Lenders including the SBA/USDA. Our Family Office Group are selective investors and we may also collaborate with other Family Offices and Funds on opportunities of interest that come to our attention or theirs.

As a value added Advisory Service we will selectively introduce our clients to those professionals and capital sources from our data base as needed to assist them accomplish their business goals and financial objectives properly. When it is appropriate, we may also introduce our clients to private tax savings and potential income producing investment opportunities thru our special client relationships.
