

TEACHERS' WALL

"Our vision and mission embedded with our core values create us, such a unique institute that caters to foreign students to English proficiency modules and mastery. We are a team of professionals with a high level of excellence equipped with easy to work on tools and teaching techniques. Join the bandwagon now!" – Miss Rich

"Simplicity, precision, and accuracy are our traits, and we don't just do it best, we do it with passion and a high level of professionalism. We will build your future on English proficiency and excellence nearest to natives so come and join us, be the captain of your own dream and shape a bright future with us!" – Miss Julie

"If you want to learn English and excel on all marks both written and oral, this is your call to connect with us. We will teach you easy but relevant English that is very simple to adapt and learn for your daily and business needs. So, what are you waiting for?" – Miss Elain

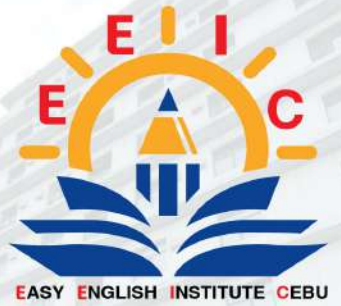

"We see ourselves as the benchmark for English mastery and excellence. Our manner of teaching is personal and direct but with passion, to serve and influence personal growth is such a milestone in professionalism that makes our identity unique." – Miss Rose

"We will go further from our means to educate you and mold your learning curve in learning the language. To be able to convey your thoughts and get your message across through the English language is our commitment to our beloved students." – Miss Lanie

"There is nothing more rewarding than learning a second language that helps us face the reality of globalization. The ever-growing economy requires a professional who can communicate English fluently and that is why we are here. We will go beyond our norms and impart our best abilities to our dearest students for them to be ready in facing global challenges!" – Mr. Jeff

04:00 - 04:50	GROUP CLASS	1:4

Cultural Immersion every Friday afternoon.

THE ESP PROGRAM

Is designed for students who are working (Adults) and will be using the English language in their workplace. This is to support them with their language needs that can be useful in their work environment. Being able to use the vocabulary and structures that they learn in a meaningful context reinforces what is taught and increases their motivation.

CLASS SCHEDULE (UNIVERSITY TO ADULTS)
