

**Riding Horse Judges' Association of S.A./Ryperd Beoordelaarsvereniging van S.A.
ATTENTION ALL EXHIBITORS / AANDAG ALLE VERTONERS**

We have noticed that the majority of exhibitors are attempting to abide by the rules and there is an improvement in the Walk, Slow-gait and far less are bouncing the Trot.

HOWEVER, the Judges wish to warn those exhibitors who are ignoring the rules, that they will be strictly adhered to. We wish to bring to the attention of the exhibitors who are transgressing the rules that a continuous bumping the trot is a DISQUALIFICATION. Nor will it be allowed for horses to enter the ring with one or more reins knotted around the horse's neck. The rule states very clearly that a double bridle is to be **used** when showing a Saddle Horse under saddle, and definitely NO training is allowed in the arena – that should be done at home.

THE WALK

We do not want a two-beat Jog-trot. We **demand** a four-beat Ordinary Walk (vierslagstap) or an Animated (statige) four-beat Walk.

BUMPING THE TROT INSTEAD OF POSTING (STAMPDRAF)

Continuous bumping the Trot is a disqualification.
Aanhoudende "Stampdraaf" 'n DISKWALIFIKASIE. (Soos Trippel en Pas).
