

PL55PWB

Modular Twin Roll Dispenser

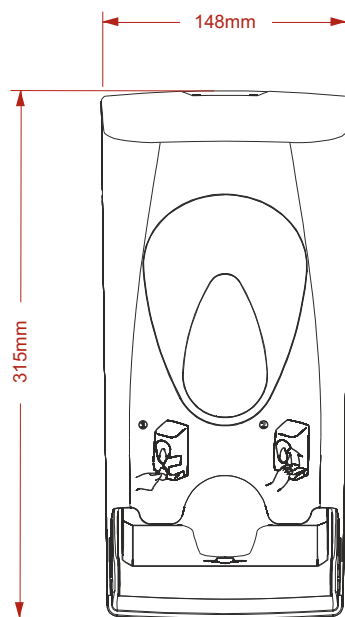

Product Features:

- Holds two rolls of toilet paper: shorter restocking time
- Ideal for washrooms with light to medium use
- An excellent solution when storage of jumbo toilet rolls is an issue
- Choice of coloured windows
- Branding available
- Cover & Back Plate: Transparent PET & ABS

Manufactured in the UK

Ideal for environments that experience light use, the Modular twin toilet roll dispenser holds two sets of standard domestic toilet rolls. Its clever internal mechanism makes it easy to use, to restock and to maintain.

Product Dimensions:

Height: 315mm
