

John 14:1-6  
A Quiet Heart

It's one of the most favorite chapters in all of the Bible....

Don't Worry, Be Happy?

Remember the events of chapters 13-17 happened on \_\_\_\_\_.

STOP! When everything was seemingly out of control, Jesus calmly told them to Trust Him and began telling them about \_\_\_\_\_.

Jesus was assuring them that \_\_\_\_\_ was guaranteed. Do you have that assurance of victory?

Mansion?

You do know the way.....

And along comes Thomas....wanting a gps point to put into his phone.

Ego Eimi – I, even I, AM. Jesus wasn't merely pointing the way or telling them about the way. HE WAS THEN AND IS NOW THE WAY!

The last phrase in verse 6 is where his and our "trouble" is: It proclaims the \_\_\_\_\_ of Jesus' gospel.

Do you have a quiet heart?
