

# Mother's Day 2024

Are they really cordless?

Romans 8:35

The DNA of a Mom

Romans 3:24

The Feminist Movement and Moms

Hebrews 12:1-2

Where does regret/guilt begin and come from?

“Jesus frees me from the need to constantly evaluate myself....The gospel frees me to be the type of mom who replays her day in her mind and feels neither boastful pride nor wallowing self-pity, but joyful thanksgiving to the praise of God’s glory.”

Are you that person who is trying to be good for everyone else so you can feel good about yourself?

“No amount of mommy-guilt can crush you if Christ was crushed on the cross in your stead.”

Mom-fail.....

Philippians 1:6
