

Psalm 2

I. There's a Revolt. 1-3

Rage.....

This rage our enemies is not aimed at us but at the Lord and His Christ. They can only reach us through Him.

Meditation....

Every church or denomination begins a downward descent with answering just one question undiscerningly: _____? Remember Sola Scriptura....

II. There's a Reaction. 4-6

He's not even moved.....

This is the only place in Scripture where.....

He laughs, He scoffs. "If God does not immediately stretch forth his hand against the ungodly, it is now his time of laughter." (John Calvin)

Pharoah, Belshazzar.

III. There's a Response. 7-9

A formal, public declaration

The first reference to the Father/Son relationship in the Trinity. He is God, the Son and has a Iron Rod.

"For he slays our will in order to establish his own will within us." Martin Luther

"But this severe and dreadful sovereignty is set before us for no other purpose than to strike alarm into his enemies." (John Calvin)

IV. There's a Recommendation. 10-12

Be Wise –

Be Warned –

Worship –

Rejoice –

Do Homage

Or ELSE....
