## Back to School

As we prepare for the new school year starting this week, let us unite in prayer for our dedicated teachers, the school staff, the students, and their families.

For our teachers: Let us lift them up in prayer that they remain safe, inspired, and empowered to make a profound impact on their students' lives.

For our students: Let us pray for their safety, a year filled with thrilling experiences and outstanding academic success.

Your prayers can help create a supportive and thriving school environment for everyone involved!

## Hearts & Hands

Hearts & Hands is facing an urgent need for all types of food products due to recent changes in their supply chain. Your support is crucial! Please take a moment to check the list located on the table in the foyer.

Together, we can make a meaningful difference by providing the items they specifically need.
