

John 11:1-6

His Glory and Our Good

- John 11-12 is a bridge...
- While Lazarus is resurrected, Jesus is the focus of everything....

Luke 10 –

If we don't enjoy being at the feet of Jesus, it's probably because we

Lazarus probably lived \_\_\_\_ years after his resurrection.

Even people very close to Jesus....

Boice "Illness is often God's way of speaking to our hearts and deepening our walk with Christ."

These two sisters did what we must do when someone is sick:

They didn't ask Jesus to do anything....

The sickness is not unto death....

Boice "If God wants you to trust in Him, He puts you in a place of difficulty. If He wants you to trust Him greatly, He puts you in a place of impossibility....Our predicaments are Christ's opportunities."

Does Jesus really care? After He heard about Lazarus being sick, He waited two days.

Delays of Love

**Because** Jesus loved them, He **waited** two days.

When Jesus was being arrested, judged, beaten, and crucified, where was the Father?
