

## Romans 12:14-21

The world and Satan have no problem with you being a church member....

What does sincere love look like?

Our verses today are....tough to live by.

Bless and do not curse.....

Rejoice with those who rejoice.....

People of true wisdom are peaceful.....

Believers are to be peacemakers, ALWAYS!

The person wise in his own eyes is rarely wise in the eyes of others.

Do not pay him back!

Be at peace with all men! Believers are never to be the cause of dissension.

NEVER TAKE REVENGE, EVER!

Leave room for the wrath of God!

We ALWAYS return kindness for evil.

We overcome evil with good.
