

Psalm 107:17-22

The first picture revealed someone in the wilderness, missing the mark.

The second picture presented a man enslaved, in a prison, shackled with irons, completely without hope.

Today, our third picture of someone lost in sin.

Fools.....

Transgressions and Iniquities.....

The fool, one sinning against his fellow man, has first rejected and rebelled against Yahweh.

Just as someone rejects food when sick, the sinner rejects God, His Word and believers.

Laws of health and the Law of God

Sin is a thief....

Is there any hope for a soul this sick?

Yahweh is RAPHA.....

When someone is cured of a sure death sickness, could he possibly forget his doctor?
