VOLUME 1, ISSUE 1

**TIMOTHY LEADERSHIP TRAINING UPDATE**

# GUYANA 2025

**Pastor and leaders from 12 churches in Georgetown and East Bank Demerara learning about TLT**

## Dear Friends and Partners in Ministry,

We thank God for His leading and for your continued prayers and support for the Timothy Leadership Training (TLT) mission in Guyana. While our original plan was to begin training in Mahdia, unforeseen setbacks prevented us from holding sessions there. Yet, in God's providence, new doors opened that allowed us to share the vision of TLT with pastors and leaders across the country.

## What Happened

- Over 30 pastors from different 12 churches in Georgetown & East Bank Demerara attended two TLT presentations to explore how TLT can serve their congregations.
- Leaders expressed deep excitement and are planning to begin the first TLT module in February 2026.
- Plans are in place to schedule two training sessions early 2026.
- Leaders from Mahdia will join these training sessions.

## Thank You, Donors

**Your generosity made this journey possible.**

Because of you, we were able to travel, share the TLT vision, and connect with pastors across Guyana. You are helping lay the foundation for a movement of biblically equipped leaders who will disciple others and build strong, Christ-centered churches.

**We thank God for you.**

**Pastors from four denominations exploring TLT together**

## Prayer Requests

- Unity among pastors across denominations.
  - A successful launch of the first module in 2026.
  - Open doors for Mahdia training in the near future.
- Together, we are equipping leaders for God's mission in Guyana.
