

Scooby Dew Rescue
Spay Neuter/Vaccinations Contract

I, _____, Adoptee _____ Agree to complete the shot series due on said puppy or dog as recommended by the shot schedule given in the adopter's folder, and provide heartworm preventative on the recommended and a regular schedule. Puppies will be spayed or neutered as recommended by the adopters vet or before the age of 7 months. If the dog is an adult when adopted, it is agreed upon that the dog will be spayed or neutered within 30 days. Records must then be provided to Scooby Dew Rescue. In the event that these guidelines are not followed, the dog must at that point be returned to Scooby Dew Rescue.
