## 7 Keys to Effective Prayer

All prayer should be presented to God with thanksgiving, transparency, and complete honesty. After all, He already knows everything about you and what you need before you ever ask.

1. Find your "secret place" where you can commune with God without distractions or interruptions. Hint: Your prayer walk is a great place to be alone with God.
2. Pray according to God's will and for His purposes. He is likely not to answer prayers that contradict His precepts in Scripture.
3. Make sure you are in a right relationship with God so that He hears our prayers. Confess any known sin in your life.
4. Pray fervently and often. Scripture offers evidence that God responds to repetitive prayers.
5. Pray the Promises. - Scripture contains over 7,000 promises! Don't be shy about claiming those promises in your prayers.
6. Be patient! God's timing is perfect, but sometimes it takes longer than we think it should.
7. Remember to listen, and not just speak. The Holy Spirit will speak to your spirit in response to your prayers and minister to you if you allow Him.

Personal revival at its very core is about placing the highest level of emphasis on prayer, and surrendering your will to His.

## What is Revival Walk?

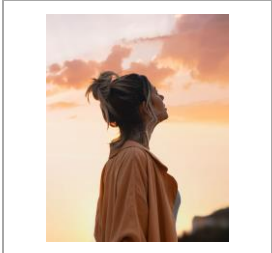

Revival Walk is an ongoing non-denominational prayer outreach that utilizes prayer-walking the streets of your own neighborhood and community as a simple and practical approach to intercessory prayer and personal revival. Our hope is that through true repentance and consistent, diligent prayer, we can reclaim our communities for God

## Is Revival Walk Scriptural?

Revival through sincere, repentant prayer is scriptural. God's promise is found in 2 Chronicles 7:14; "If my people, which are called by my name, shall humble themselves, and **pray**, and **seek** my face, and **turn** from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." Prayer-walking is a great way to find private time with God and spiritually lay claim to your own community.

## Does Prayer Really Work?

God would not command us in several places in scripture to do something that doesn't work. In fact, 1 Thessalonians 5:17 commands us to "pray without ceasing". This mandate comes with many promises in Scripture that God hears the prayers of faithful believers.

## What Does Scripture Promise?

God promises to hear the prayers of faithful believers.

"This is the confidence which we have before Him, that, if we ask anything according to His will, He hears us."  
(1 John 5:14)

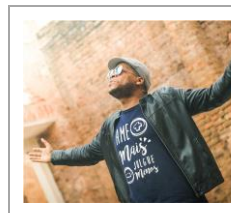

"If you abide in Me, and My words abide in you, ask whatever you wish, and it will be done for you." (John 15:7)

## How Often Should I Walk?
