preheat oven to 375° -400°

let food come to room temperature before warming

starters

quiche

Heat in a pre-heated 375° oven for 8-9 minutes, uncovered.

***marché* pizza**

Heat in a pre-heated 375° oven for 7-8 minutes, uncovered.

chunky chopped greek salad *with* tre colori salad, feta, olives, white beans + fried zucchini

Dress chilled greek salad lightly with **red wine vinaigrette**.

Top **salad greens** with dressed greek salad. Add the **feta cubes, chickpeas + fried zucchini**.

***small* mixed greens salad**

Toss chilled salad with a little **lemon vinaigrette**.

mains

***bricked* lemon sage chicken breast *with* salsa verde**

Heat in a pre-heated 375° oven for 8-9 minutes, uncovered, *or* serve at room temperature.

Serve with room temperature **salsa verde** on the side.

coconut crunch fried chicken *with* honey mango dip

Heat in a pre-heated 375° oven, uncovered, for 7-9 minutes, or serve at room temperature, with **honey mango dip** on the side.

sake marinated salmon *with* baby bok choy

Heat in a pre-heated 375° oven for 6-8 minutes, uncovered. Serve with **sake dipping sauce** on the side.

bulgogi beef *with* gochujang noodles, cucumber + pickled carrots

Heat beef + noodles separately in the microwave, loosely covered. Can also be transferred to an oven proof pan and heated in a pre-heated 375° oven for 8-9 minutes, uncovered.

Serve beef over warmed **noodles**, with **cucumber-pickled carrots, kimchi + bulgogi dipping sauce** on the side..

char siu pork + fried rice

Drizzle a little **water** over fried rice. Top fried rice with **sliced pork**, **keeping it tiled**, so cut meat isn't overly exposed to oven heat.

Heat in a pre-heated 375° oven for 7-8 minutes, COVERED with **aluminum foil**.

Can also be transferred to a microwaveable container and warmed BRIEFLY in the microwave, LOOSELY covered.

sides

fresh corn salad

Serve at room temperature.

roasted fingerling potatoes *with* rosemary

Heat in a pre-heated 375° oven for 8-10 minutes, uncovered.

haricots verts *with* nectarines, lemon zest + pickled red onion

Heat haricots verts BRIEFLY in a pre-heated 375° oven for 5 minutes, LOOSELY tented with **aluminum foil**, *or* transfer to a microwavable platter + heat VERY BRIEFLY (15-20 seconds) in the microwave.

Just before serving, toss with sliced **nectarine wedges**. Can also be served at room temperature.

ginger scallion broccoli

Heat in a pre-heated 375° oven for 6-8 minutes. Can also be served at room temperature.

simply grilled + roasted vegetables

If sent in pan, remove cup of **lemon vinaigrette** from pan before warming vegetables.

Heat in a pre-heated 375° oven for 8-9 minutes, uncovered *or* serve at room temperature,

If desired, after heating, drizzle with **lemon vinaigrette**.

kale + shaved brussels sprouts salad *with* parmesan + lemon

Salad is already lightly dressed with **lemon vinaigrette**. Serve chilled.

Just before serving, if desired, sprinkle chilled salad with **toasted almonds**.

sweets: reduce oven temp to 350°

***individual* nectarine + blueberry pie**

Warm pie in a pre-heated 350° oven for 7-8 minutes. Can also be served at room temperature.

***individual* lemon meringue tart *with* blueberries**

Keep covered until ready to serve. Serve chilled *or* at cool room temperature.

***slice* of NY style cheesecake**

Keep covered + refrigerated until ready to serve. Serve with **red berry purée** on the side.

cupcakes

Keep covered until ready to serve. If refrigerated, let come to room temperature before serving.
