

West LA Academy of Dance has put in place preventive measures to reduce the spread of COVID-19 and/or any other virus; however, West LA Academy of Dance & Dance Studio No. 1 cannot guarantee the student will not become infected with COVID-19 and/or any other virus.

**Please do not come to the studio if you are experiencing COVID-19 symptoms.**

- **No early drop-offs are allowed.** If students arrive early, they are asked to wait in the car or outside, until 5 minutes before class.
- Only enrolled students & staff will be allowed inside the Studio. Parents can wait in their cars or on the balcony.
- **Face masks are required in all in-person classes.** They should be worn at all times by students and staff. If face-covering becomes too much due to strenuous activity, students are encouraged to step away.
- **Students ages 12+ are required to show proof of vaccination** OR a negative COVID-19 test result taken within 72hrs of their class.
- Students should arrive dressed in their dance clothes. Personal belongings should be kept to a minimum.
- Bathroom breaks are limited to 1-2 students at a time. The back door will be kept ajar to minimize the door handle contact. Please encourage your child to use the restroom at home before arriving at the studio.
- Please bring a filled water bottle at the beginning of the day. Water bottles are allowed, no food or other drinks are allowed. No nuts are allowed.
- **Please no late pick-ups.**

**Dance Studio No.1 & West LA Academy of Dance reserves the right to modify the policies listed above.**

**If West LA Academy of Dance is forced to cancel in-person classes, due to events beyond our control – such as government mandates – classes will be conducted exclusively via Zoom. No refunds or credit will be given.**
