To whom it may concern:

I am writing this letter to recommend the services of MS 3 LLC to you. We would like you know that it has been a positive experience working with them over the last month. Tony Barder was onsite daily to personally supervise the project. His communication with his employees and with our staff in the office has been excellent. They have responded to every issue personally and promptly ensuring that it was resolved to our satisfaction.

I strongly recommend the services of this company. I have always been satisfied with their work and will use them again. Feel free to contact me if you have any questions.

Sincerely,

Rachel Carrizales
