

The WALT NIAN

YORK CHAPTER #67 MONTHLY NEWSLETTER • DECEMBER 2025

FROM THE PRESIDENT'S DESK

I hope everyone has a joyous Thanksgiving and a productive hunting season. If you haven't figured it out yet, we did not send membership renewal notices by regular mail this year and opted for email notification where possible. If you didn't receive a renewal notice, please email our Membership Chair at rwwood.iwla67.membership@gmail.com as soon as possible. There's still time to avoid the \$25 late fee for payments received after December 31.

As usual the Judge Tobin Committee will meet in February to elect the next Judge Tobin award recipient. This award is given to an IWLA #67 member who has a history of outstanding dedication and service to our chapter. If you would like to nominate a chapter member by filling out the form that you can find on the Judge Tobin Award page of our website. You can drop it into the box in the clubhouse or email it to info@yorkiwla.org. Our Judge Tobin winner is recognized in the national quarterly publication Outdoor America.

Let me close by wishing all of you a Merry Christmas and a Happy New Year.

TROUT COMMITTEE

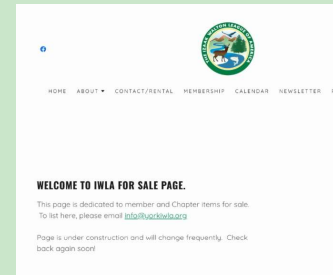

Our trout are adjusting well to their new home. We have lost around 60 so far due to stress from transporting and the difference in water temperature and quality. This is a yearly occurrence with the trout. We have some new members on our team and are always open to anyone who would like to get involved in our program. Send me an email at tiglax13@comcast.net if interested or catch me at a club meeting.

FIND OUT MORE

The Pistol committee at York Izaak Walton does much more than just run pistol matches. We now run matches just about every weekend March through November and some involve not only pistols, but pistol caliber carbines, rifles and shotguns as well. Our events range from casual shoots for novices to competitions which draw and challenge some of the best shooters in the world. We have something for everyone. All of our matches are open to the public but most require advance registration, and some require shooters to be qualified before competing.
