YORK CHAPTER #67
MONTHLY NEWSLETTER • **MARCH 2026**

FROM THE PRESIDENT'S DESK

I'd like to thank Cindy Ness for organizing the Bull Roast & Shrimp Feed fundraiser. We raised over \$2500 for the Trap House renovation. I also want to thank everybody who attended and participated in the raffles and 50/50. Finally, I want to thank those members who made charitable contributions to the cause. Your generous contributions are greatly appreciated.

March is here and so is the return of our shooting sports program. Action shooting matches resume in March, and this year we're adding a few more opportunities for organized events. We are also trying something new and allowing limited access to the front ranges during the matches. Range availability will vary depending on the match read on for more information.

Normally preseason trout stocking begins in March, but we're going to hold on to them a little longer to fatten them up. Again, please check the calendar for revised stocking dates. Opening day of Trout season is just around the corner on Saturday, April 4, 2026. In-season stockings will proceed as scheduled.

Bull Roast & Shrimp Feed

I want to thank everyone who volunteered their time and energy to make our first Bull Roast & Shrimp Feed a huge success! It was so much fun, and everyone agreed the food was amazing! Huge Shoutout to Sarah and Jon Chenowith for steaming 60 pounds of delicious shrimp for us! That was a huge job!! Ray's Pit Beef was an excellent caterer as well and I will not hesitate to use them again. It took many volunteers to pull this off and I am so thankful for EVERY ONE of them!!

I heard that the parking was very well organized, thanks to Don Fisher and a great crew of more volunteers! We were blessed that the weather was on our side, for sure!

....and of course, special thanks to my greatest supporters and muscles, Gary & Owen!!

I can't wait to do this again, hopefully in the fall!

-Cindy Ness

TROUT COMMITTEE

Due to our raceway being iced over for nearly a month, we are cancelling the first three preseason stockings in March. This is to allow the trout to feed and get to a larger size before getting stocked. These three areas will get the allotted amount of fish added into later stockings at those locations. If anyone is interested in helping with the trout program send me a text at tiglax13@comcast.net or catch me at a meeting.
